9/6/2018

[Intro]

G D C G

[Verse 1]

G **D**
Tell me, tell me that you want me
C **G**
And I'll be yours completely, for better or for worse
G **D**
I know, we'll have our disagreements
C **G**
Be fighting for no reason, I wouldn't change it for the world
G **D**
Cause I knew, the first day that I met you
C **G**
I was never gonna let you, let you slip away
G **D**
And I still remember feeling nervous
C **G**
Trying to find the words to get you here today

[Chorus]

C **D** **G**
You make my heart feel like it's summer
C **D** **G**
When the rain is pouring down
C **D** **G** **D** **Em** **D** **C**
You make my whole world feel so right when it's wrong
D **Em** **D**
That's how I know that you are the one
C **D** **G**
That's why I know you are the one

G D C G
Oooooooh ooooooooh

[Verse 2]

G **D**
In life, it's easy to be scared of
C **G**
With you I am prepared for what has yet to come

```
G                                   D
Cause our two hearts will make it easy
                C                          G
Joining up the pieces, together making one

[Bridge]

C                              D                          G
When we are together you make me feel like my mind is free
       Em          D     C                  D
And my dreams are reachable (oh-oh-oh-oh)
    C                        D                          G
You know I never ever believed in love or believed one day
     Em          D     C                 D
That you would come along (oh-oh-oh-oh)
    C
And free me
